

STEERING COMMITTEE MEETING #3

June 11, 2019 1:00-2:00 PM

Location: CAPS Conference Room, 127 E. Main St., 2nd Floor

AGENDA

- I. Project Update (10 min.)
 - a. Summary of stakeholder roundtables and open house events
 - i. Areas of overlap and diverging input from stakeholders
 - ii. Key issues to come out of the discussions
 - b. Next steps
 - i. Audit report drafting and preliminary draft delivery
- II. Steering Committee feedback (45 min.)
 - a. Impressions from committee members on stakeholder group discussion
 - b. General discussion - stakeholder questions and Steering Committee feedback on the County zoning regulations
 - i. *Current issues impacting residential development in the County? Commercial? Industrial?*
 - ii. *Areas of conflict between the existing zoning regulations and the newly-adopted future land use map for the Missoula Valley*
 - iii. *Experience working with the County zoning code – procedural aspects you like, and those that could be improved*
 - iv. *Where and when might less regulation, more regulation, or different regulation be considered?*
 - c. Identification of issues/concerns not identified by stakeholders or highlighted in the discussion so far, but that should be considered as part of the audit
- III. Public comment (5 min.)
